

Nikhil Guleria

Senior Mobile App Developer & Technical Lead

nikhilguleria317@gmail.com · Hamirpur, Himachal Pradesh, India · linkedin.com/in/nikhil-guleria-300a6393 · github.com/nikhil-guleria

SUMMARY

Senior Mobile App Developer and Technical Lead specializing in Flutter, Android and scalable mobile product architecture, with 9+ years of experience across native Android, Flutter and full product delivery. Comfortable owning work end-to-end — from product thinking and architecture through implementation, integrations, CI/CD and store deployment — and experienced leading and mentoring mobile development teams.

EXPERIENCE

Freelance Mobile App Developer · 2021 — Present

Independent · Hamirpur, Himachal Pradesh

Delivered end-to-end Android and Flutter solutions for clients and startups, collaborating with remote teams and taking ownership across product delivery.

Sr. Software Developer → Team Lead, Mobile · 2017 — 2021

Softuvo Solutions Pvt. Ltd.

Established the Flutter development function, progressed into mobile technical leadership, led a team of up to six developers, contributed to architecture and CI/CD, worked with stakeholders and design teams, and oversaw production delivery.

Android Developer · 2015 — 2017

Populace Inc.

Built Android applications including conference, tourism and live-streaming products, with REST APIs, social login, Firebase and location features.
